Welcome to the Bridge City Comics Subscription Service!

We understand that you may not be able to come in as soon as new comics and graphic novels arrive every week and that you don't want to miss out on the new releases. That's why we're happy to offer our Subscription Service to you, free of charge!

There are two ways to ask Bridge City Comics to order and hold new releases for you:

1) **Previews Magazine** – Previews is the catalog for Diamond Comics Distributors, the main distributor of comic books and graphic novels in America. If you subscribe to Previews Magazine (\$3.00 an issue), you will also receive an order form. You can order anything out of the catalog (adult material can only be ordered if you are 18 years old or older). Simply turn in your order form to Bridge City Comics before the order cut-off date and we'll order you everything on your list. This is a very precise way to order your comics and you will stand a much better chance of getting everything that you are looking for.

2) **Hold form** – Fill out the attached Hold Form and we'll order and hold those titles you specify for you every month. Be warned, if it's on your hold form and we hold it for you, you are required to purchase it. Also, this method isn't as precise as using the previews order form. We will hold the EXACT titles you put on your hold form. If you put down Batman, we will hold Batman for you. We won't hold Detective Comics, Gotham Knights, etc. unless you specifically ask for it. You can modify your hold form at any time but since comic retailers are required to order products three months in advance, you are required to purchase everything ordered for you during those order cycles.

VERY IMPORTANT - Bridge City Comics will hold your books for two weeks. If you haven't picked up the books you ordered within two weeks, we will call you to remind you. If after three weeks you still haven't picked up the items you ordered, we will empty your box, put the items you ordered out for sale and cancel your box. If after that you still want to use our Subscription Service, you will need to have a credit card on file with us and we will charge the credit card every week for the items you ordered (as a **probationary customer**).

Payment options – Bridge City Comics accepts cash, debit cards and MasterCard and Visa credit cards.

If you are a customer in good standing, you can pay for the items in your box when you come to pick them up.

If you are a probationary customer (see above), we require a credit card to be on file with Bridge City Comics and we will charge it every week for the items you have requested we order and hold for you.

If you are a customer in good standing, you may also elect to keep a credit card on file with Bridge City Comics. We will charge it every week for the items in your box so you can just come in a pick them up whenever you would like. Since they have already been paid for, we will be happy to hold them for you until it is convenient for you to come pick them up.
